PROFILE

Computer Science student at Hasselt University — contributing to OSCAR-QUBE research and building full-stack web applications. Looking for a summer job that fits around my studies.

PROFESSIONAL EXPERIENCE

Software Developer 09/2025 – Present
OSCAR-QUBE student research group

Freelance Developer 2026
Sirenelle

- Developed a website for Sirenelle to help promote their product and improve online discoverability.
- Built a custom CMS and an analytics page from scratch.
- Implemented a contactform which led to more sales.
- Tech Stack: Next.js, Tailwind, Prisma, SQLite, Docker.

Intern - Accounting & IT 03/2024
Sanmax Projects

Two-week internship in final year of secondary school, focused on accounting, bug testing, and gaining insights into IT projects.

Student Jobs 2021 – 2025
Various student jobs in retail, logistics and restaurants (Bpost, Aldi, Decathlon, ...)
